

Chih-Cheng Hung, MD

洪至正醫師

Chicing Plastic Surgery Clinic; and
Han-Feng Plastic Surgery Clinic
Taipei, Taiwan

Dr Chih-cheng Hung is a board-certified plastic surgeon at Chicing Plastic Surgery Clinic, where he is Partner, and at Han-Feng Plastic Surgery Clinic, both in Taipei. Prior to these positions, Dr Hung practiced at Larry's Plastic Clinic for 4 years under the leadership of the highly respected Taiwanese plastic surgeon, Dr Larry Lai.

Dr Hung received his medical degree from Chung Shang Medical and Dental College, Taichung, Taiwan, in 1991, following which he undertook an internship (1989–1991) and residencies in general surgery and plastic surgery (1991–1997). He was appointed Attending Surgeon in Plastic Surgery of Trauma and Emergency Surgery, at Chang Gung Memorial Hospital, Taoyuan, in 1997. Dr Hung also gained surgical experience overseas, as Visiting Fellow in Plastic Surgery at the Children's Hospital of Los Angeles, CA, USA, and Visiting Fellow at Oregon Health Sciences University, Portland, OR, USA.

Prior to going into private practice, Dr Hung had a notable career in public service, most recently as Attending Surgeon in General Plastic Surgery Chang Gung Memorial Hospital, Taipei (2002–2004), and Acting Director of the Plastic Surgical Department in Chang Gung Memorial Hospital, Keelung (2001–2002).

Dr Hung has co-authored several articles published in reputable, peer-reviewed journals, and presented his work at numerous national and regional meetings in plastic and reconstructive surgery. He is a member of several professional societies, including the Formosan Medical Association, ROC, Surgical Association ROC, Taiwan Society of Plastic Surgery, Taiwan Society of Aesthetic Plastic Surgery and International Society of Aesthetic Plastic Surgery. In addition to his everyday work, he continues to pursue interests in research and training of young plastic surgeons.
